WHY SUNSTONE STANDS APART

THE OEM ADVANTAGE THAT BENEFITS YOUR CUSTOMERS

Sunstone Metal Products is a true home-grown, family-owned business. From the manufacturing processes to worldwide product distribution, we take pride in every step. Sunstone products are distributed throughout North America, with our centrally located distribution in North Austin Texas. Also with distribution partners in Portugal, Israel, and others.

Direct Manufacturing

We own the process from design to production, ensuring consistent quality control.

Eliminated Broker Costs

No middlemen means we pass 30-40% savings directly to your customers.

Superior Materials

Professional-grade 304 stainless steel at price points competitors can't match.

SUNSTONE: OUTDOOR KITCHEN INNOVATORS

ENGINEERED IN TEXAS – QUALITY, VERSATILITY & ENDURING CRAFTSMANSHIP

OUTDOOR COOKING

High-performance gas grills, pellet grills, power burners, side burners & charcoal grills.

CABINET ISLANDS

Universally compatible grill & appliance cabinets, component, storage, wall, and appliance cabinets.

BAR CENTERS & SINKS

Premium bar stations, cocktail centers, beverage centers, and multi-size sink cabinets.

ELECTRICAL APPLIANCES

Outdoor-rated fridges, electric warming drawers, & New Innovative Vent Hoods–UL-certified.

GRILL JACKETS

Insulated double-wall universal jackets with pass-thru venting–multi-configurable, post-mount ready.

PRODUCT CATEGORY OVERVIEW

FIVE CORE PRODUCT LINES TO MEET EVERY CUSTOMER NEED

CABINET ISLANDS

304 stainless steel construction, 98% pre-assembled foundation for any outdoor kitchen.

OUTDOOR COOKING

Gas grills, hybrid charcoal/wood grills, and the new portable StarBBQ line.

APPLIANCE STATIONS

Sinks, insulated ice chests, bar centers, and outdoor-rated refrigeration.

ODK COMPONENTS

Five distinct series ranging from budget-friendly to luxury options.

PARTS & ACCESSORIES

Ensuring complete customization and long-term support for every installation.

COMPLETE PRODUCT RANGE MEANS YOU NEVER HAVE TO SAY "WE DON'T CARRY THAT."

CABINET ISLANDS: THE SUNSTONE DIFFERENCE

UNIVERSAL COMPATIBILITY SETS US APART

- **Premium 304 Stainless Steel**
  Constructed with finished fronts AND backs—a detail competitors often skip.
- **98% Pre-Assembled**
  Simple installation for one or two people in under an hour.
- **Universal Trim Kit System**
  Allows ANY brand of grill to work seamlessly in Sunstone cabinets.

GAME CHANGER

THE SALES ADVANTAGE

Competitors lock customers into their ecosystem. Sunstone gives customers the freedom to choose their preferred grill brand, eliminating a major sales objection.

CABINET ISLAND PRODUCT RANGE

FROM GRILL CABINETS TO COMPLETE KITCHEN PACKAGES

GRILL CABINETS
Accommodates grills from 28" to 60"+

APPLIANCE BASE
For side burners, power burners, and accessories

BASE CABINETS

Galley Clean & Prep	**$14,784**

*Turnkey solutions including cabinets, grills, and appliances.

CABINET ISLANDS: ADA-COMPLIANT PACKAGES

Accessible Design Meets Premium Craftsmanship

✓ ADA-compliant with ADA-height legs & kickplates

True ADA Compliance – Lowered height legs + integrated kickplates for wheelchair accessibility. Additionally offers the ADA Compliant Combo Sink Base Cabinet - ADA44BC

✓ On-the-Go Freedom – Wheel/Caster Packages

Optional heavy-duty wheel/caster packages transform islands into rollable grill carts. Perfect for flexible spaces – move the party where you want. Lockable casters + robust build for everyday reliability

GAME CHANGER

THE SALES ADVANTAGE

ADA-compliant islands and caster packages win sales by delivering accessibility + mobility competitors can't match. ADA compliant cabinets and packages, excellant for commercial and multifamily markets. Caster wheels turn islands into mobile grill carts that roll to pools, patios, or events.

ADA-COMPLIANT PACKAGES W/ADA HEIGHT LEGS & KICKPLATES

WHEEL-CASTER COMPATIBLE PACKAGES

CABINET ISLANDS: UNLIMITED POSSIBILITIES

UNIVERSAL COMPATIBILITY SETS US APART

✓Universal Grill Compatibility (GAME CHANGER)

Trim kit system drops in any grill (Blaze shown fitting flawlessly) – works with 90%+ of popular brands without forcing matches

✓Appliance Cabinets: Total Flexibility

Custom sizes for single or multi-fridge/kegerator/wine cooler runs – build exactly the setup customers dreams

✓Sink, Bar & Warming Options

Multiple cabinet sizes to fit any sink style, full bar centers, or warming drawers – personalize every detail

GAME CHANGER

THE SALES ADVANTAGE

Stop losing deals to "it has to match their brand." Sunstone cabinets unlock freedom: seamless grill integration (like Blaze here), plus customizable appliance runs, sink/bar configs, and warming drawers for 90% of market options. Customers get their perfect outdoor kitchen – you get easier closes, higher margins, and repeat business.

BRAND COMPATIBLE CABINET PACKAGES

CABINET ISLANDS: UNIVERSAL COMPATIBILITY

- Charcoal Smoker & Pizza Oven Combos
- Rocket Stoves (Ammo Box Conversion)

MATERIAL SPECIFICATIONS

Heavy-Gauge Cold-Rolled Steel

High-Temperature Powder-Coat Finish

ACCESSIBLE PRICE POINTS **$108 - $808** (PERFECT FOR IMPULSE PURCHASES)

ALL-IN-ONE GRILL: ULTIMATE VERSATILITY

CHARCOAL/WOOD GRILLER,SMOKER AND PIZZA OVEN IN ONE UNIT

Hybrid Dual-Zone Technology

Multi-level adjustable racks & meat hooks for brisket, ribs, whole chickens, or large smokes. Large heavy-duty wheels for easy rolling to patio.

Heavy-Duty Texas Engineering

Cold-rolled steel body with high-heat powder coating – built to last in any backyard. Sealed smoker chamber + direct grilling + smoking options. Crank-lift charcoal tray for easy, precise heat control & ash management.

One Station, Infinite Meals

From low-and-slow brisket & smoked ribs to sizzling steaks, wood-fired pizzas, roasted veggies, or hanging sausages—this single cart handles it all with charcoal or wood logs.

BIOMASS | CHARCOAL | WOOD LOGS | PELLETS

STARBBQ™: RUGGED PORTABLE POWER

TEXAS-TOUGH – BUILT FOR CAMP, BACKYARD & OFF-GRID ADVENTURES

ROCKET STOVE CAMPER BOX

Real U.S. military .50 cal ammo can turns into a fold-out rocket stove in seconds. Waterproof, dustproof, perfect for overlanding, bushcraft & survival cooking.

24" SMOKELESS FIRE PIT BASE

Modular smokeless hub: drop-in or freestanding, add Santa Maria rim for lifter grilling, flat-top, searing, charcoal smoking, or cozy flames. Zero smoke, endless upgrades.

24" CHARCOAL GRILLER

Heavy-duty 24" charcoal grill with full smoker hood rim on rugged cart. Low-and-slow ribs, high-heat steaks, or wood-fired flavor.

STARBBQ™: RUGGED PORTABLE POWER

TEXAS-BUILT – CONQUER CAMP, BACKYARD & OFF-GRID WITH UNMATCHED POWER

36"/48" SMOKELESS FIRE PITS

Texas-crafted smokeless insert with secondary combustion + optional short/tall post swivel grillers for low & standing-height cooking.

FOLD-OUT CAMPER GRILLER

Heavy-duty steel fold-out beast with half-grill half-griddle surface – sear steaks with perfect marks on one side, flip pancakes or fry eggs.

FOLDING A-FRAME GRILLER

Folding A-frame with perforated firebox for fast lighting, elevated stainless grate, and cool-touch handle. Packs flat, sets up in seconds.

RUBY **GRILLS: QUALITY & VALUE**

RUBY SERIES & STANDARD GAS OPTIONS

Sunstone has built its reputation on delivering the highest quality grills at the most affordable prices. Our time-tested products have served thousands of satisfied customers for over 20 years.

Ruby Series Pro Sear

Features exclusive Pro-Sear Thermal Cooking Grids reaching 800°F in dedicated zones. Perfect for restaurant-quality searing. Available in 3, 4, and 5 burner configurations.

Premium Construction

Built with professional-grade 304 Stainless Steel using the heaviest gauges in the industry. Designed to withstand the elements and last a lifetime.

Limited Lifetime Warranty

We stand behind our products with comprehensive lifetime warranty guarantees, giving you and your customers total peace of mind.With 3-Year Burner Guarantee.

RUBY **GRILLS: FEATURES & BENEFITS**

RUBY SERIES & STANDARD FEATURES

ENCLOSED DIRECT-FLAME POWER

Insulated firebox traps heat for intense, even searing up to 20,000 BTU. All 304 SS burners deliver pro-level char and flavor every time.

INSTANT, RELIABLE IGNITION

Piezo flame-thrower system lights every burner instantly—no fuss, no failures, even in tough conditions.

WIND-RESISTANT STABILITY

Built-in guards and airflow holes keep flames steady and heat consistent—no blowouts in breezy weather.

RUBY **GRILLS: FEATURES & BENEFITS**

RUBY SERIES & STANDARD FEATURES

OVERSIZED INFRARED ROTISSERIE

Full-width infrared heat for perfect rotisserie searing—crispy outside, juicy inside on large cuts.

MULTI-ZONE HEAT CONTROL

Flame divider splits grill into zones—sear hot, simmer medium, smoke low—all at once.

BUILT-IN SMOKER BOX

Easily add authentic smoky flavor to any grilled dish with the included stainless steel smoker box—load with wood chips for rich, infused taste right on the grill.

RUBY **GRILLS: OPTIONS & UPGRADES**

RUBY SERIES & GRILL INSERT OPTIONS

MODULAR INSERT SYSTEM

Easily swap flame divider, steel griddle, sear pro grate, charcoal tray, deep fryer, or pizza stone to match any recipe.

VERSATILE COOKING ZONES

Divide flames for simultaneous searing, grilling, and pizza baking—all on the same Ruby grill.

EXPAND YOUR SETUP

Add companion pro side burner or extra double burner to create a full outdoor cooking station, and swap grill inserts between them.

RUBY **GRILLS: OPTIONS & UPGRADES**

RUBY **GRILLS: OPTIONS & UPGRADES**

SUNSTONE 30" HYBRID GAS/CHARCOAL GRILL

GAS, CHARCOAL, WOOD & INFRARED – MASTER EVERY COOKING STYLE

The Sunstone SUNCHZ30 30" Hybrid Grill redefines outdoor cooking with seamless gas, charcoal, wood, and infrared power in one Texas-engineered masterpiece. Dual gas burners (30,000 BTU total) + 15,000 BTU infrared back burner deliver searing heat over 800°F, while the height-adjustable charcoal/wood drawer lets you switch fuels mid-cook without interruption.

HYBRID FUEL FREEDOM

Gas for quick charcoal ignition and reheat of charcoal/wood for authentic smoke, infrared for pro rotisserie or lift the crank for seared steaks.

ADJUSTABLE CHARCOAL DRAWER

Raise/lower fuel for precise control – no lid lifts needed. Perfect air-flow vents in drawer and advanced louver venting in hood back which also act as wind shield.

PREMIUM 14-GAUGE 304 SS BUILD

Heavy-duty, rust-resistant, built to last a lifetime. This grill turns any backyard into a competition-level kitchen—sear, smoke, roast, or grill with unmatched flexibility and Texas-tough quality.

42" HYBRID GAS/CHARCOAL/WOOD GRILL

GAS + CHARCOAL + WOOD – TWO ZONES, TOTAL FLAVOR CONTROL

The Sunstone EMCHDZ42 42" Hybrid Grill fuses gas, charcoal, and wood in a massive dual-zone system—crafted from 14-gauge 304 stainless steel for Texas-tough durability and pro-level performance. Dual gas burners (35,000 BTU total) fire up instantly, while separate charcoal/wood drawers with integrated ignition burners deliver authentic smoke flavor. Height-adjustable trays give precise heat.

DUAL-ZONE HYBRID POWER

Independent charcoal/wood drawers with built-in ignition burners + dual 35,000 BTU gas zones let you smoke brisket low-and-slow while searing steaks hot—switch fuels mid-cook with no downtime, for unmatched flavor versatility.

HEIGHT-ADJUSTABLE BURN TRAYS & DIVIDER

Raise or lower charcoal/wood trays for perfect heat control, and remove the center divider for full-width cooking or keep it for true dual-zone mastery—sear, smoke, roast, or grill simultaneously with pro precision.

PREMIUM 14-GAUGE 304 SS BUILD & FEATURES

Heavy-duty stainless construction with easy-lift hood, LED control panel, halogen interior lights, adjustable vents, and stow-away warming rack—designed in the USA to last a lifetime and turn every gathering into a masterpiece.

30" HYBRID GAS/CHARCOAL/WOOD GRILL

42" HYBRID GAS/CHARCOAL/WOOD GRILL

24" POWER CIRQUE: PREMIUM VERSATILITY

65,000 BTU CIRCULAR BURNER – UNMATCHED HEAT & FLEXIBILITY

Sunstone has built its reputation on delivering the highest quality grills at the most affordable prices. Our time-tested products have served thousands of satisfied customers for over 20 years.

TRIPLE CAST-IRON CIRQUE BURNERS

Three heavy-duty cast-iron burners deliver massive 65,000 BTU output in a unique circular design—recessed in ceramic insulation for even, intense heat perfect for wok stir-fry, stockpots, or family grilling.

INTERCHANGEABLE INSERTS

Swap in 19" solid steel griddle or pizza stone for flat-top searing, perfect pizzas, or side-by-side companion cooking with your 30" hybrid grill.

3-IN-1 RAISED COOKING GRATES

Solid 304 SS raised grates with adjustable surround flame ensure superior airflow, even cooking, and unlimited versatility for any pot or pan.

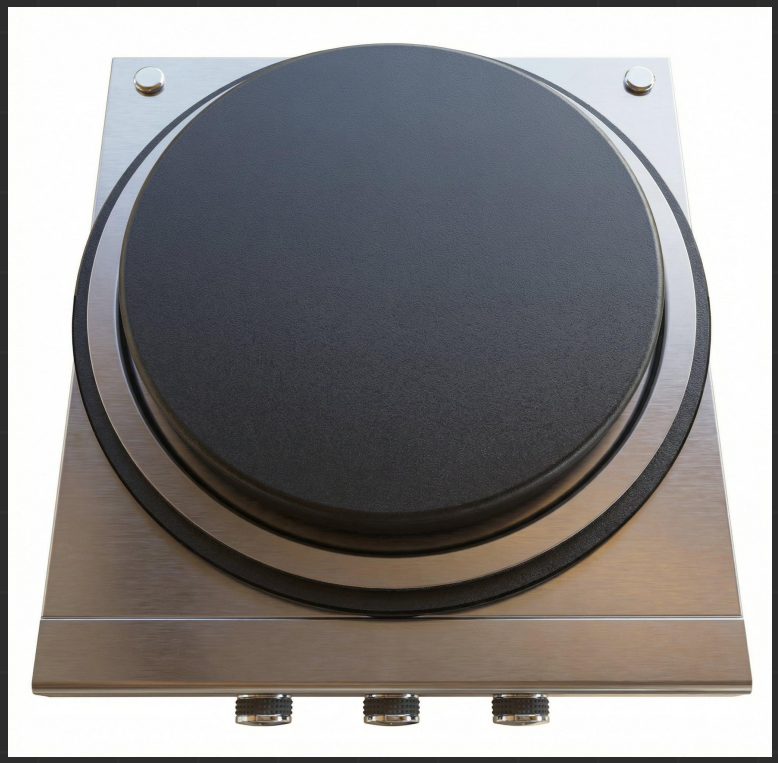

24" POWER CIRQUE: MODULAR DESIGN

65,000 BTU CIRCULAR BURNER – CUSTOMIZE FOR ANY COOKING STYLE

ACCESSORY OPTIONS

Swap between 15" pizza stone, 19" solid steel griddle with oil pan, cold-water flex pot filler, and more—adapt the burner for pizza, flat-top, wok, or stockpot cooking

3-IN-1 RAISED COOKING GRATE

Solid 304 SS raised grates allow direct grilling like a standard burner while providing superior airflow and even heat perfect for steaks, veggies, or large pans.

19" CAST-IRON ROUND GRIDDLE

Heavy-duty cast-iron griddle outperforms competitors with massive power and even heat distribution—ideal for breakfast spreads, stir-fry, or high-volume family cooking.

24" POWER CIRQUE: MODULAR DESIGN

40" PELLET GRILL: PRECISION & PERFORMANCE

ELECTRIC PELLET POWER – SMOKE, SEAR, & ROAST

Massive cooking space and versatility with918 sq. in. total area (526.5 main + 391.5 upper racks) handles large family meals, multi-zone cooking, and everything from low-and-slow smokes to 800°F searing.

BUILT-IN COLD SMOKER

Patented integrated cold smoker adds authentic smoky flavor without heat—perfect for cheese, fish, or creative infusions.

ADJUSTABLE FLAME BROILER

Direct-flame access for restaurant-style searing up to 800°F, while digital controls keep temps precise from 140°F.

PREMIUM 304 SS BUILD & CONTROLS

Heavy-duty stainless steel construction with weatherproof touchscreen, 3 meat probes, 28 lb hopper, and fan-forced convection for even results every time.

40" PELLET GRILL: CRAFTSMANSHIP & CONTROL

DIGITAL PRECISION MEETS WOOD-FIRED FLAVOR

TOUCHSCREEN CONTROL

Weatherproof touchscreen delivers exact temp management from 140°F to 800°F, plus real-time monitoring with 3 included meat probes for flawless results.

BUILT-IN COLD SMOKER

Patented cold smoker infuses deep, authentic smoke flavor at low temps—ideal for fish, cheese, veggies, or creative flavor layers without overcooking.

ADJUSTABLE FLAME BROILER

Slide-open direct-flame access unlocks high-heat searing up to 800°F while maintaining even convection heat for smoking, roasting, or baking.

40" PELLET GRILL: CRAFTSMANSHIP & CONTROL

TEXAN SERIES: DESIGNER STYLE & DURABILITY

AFFORDABLE ELEGANCE – BUILT TO LAST IN 304 STAINLESS

The Sunstone Texan Series, Designer Style creates Stylish High Quality and the most Affordable of all Component Series to complete your outdoor kitchen. Great for Stone Veneer, Brick, Stucco or Concrete Finishes with its all 304 Stainless Steel Construction and Solid 304 SS Rod Handles.

SOFT-CLOSE DRAWER TRACKS

Self-closing tracks seal drawers tight, protecting contents from rain, wind, and elements while delivering smooth, quiet operation.

ESSENTIAL GAS & HEAT VENTING

Built-in venting safely manages airflow and heat from grills or burners, plus easy propane tank access for simple LP installations.

MATCHING & INTERCHANGEABLE DESIGN

Consistent heights, widths, and handles blend seamlessly with other Sunstone series – ideal for stone, brick, stucco, or concrete islands with a true designer look.

TEXAN SERIES: DESIGNER STYLE & DURABILITY

DESIGNER SERIES: RAISED STYLE

ELEVATED DESIGN – PERFECT FIT FOR ANY MASONRY ISLAND

The Sunstone Designer Series, Raised Style are the designers' true friend with seamless horizontal lines. All components have 23″ matched heights and are raised off the finish wall 1-1/2″ so to work with most any island structure including Veneer Stone and Stucco. They, also, have an extra 4" deep inside flange to work with all Masonry Stone types. In addition, the frame is designed with an additional 1/16" frame around all four sides of the component, which makes the components multi-configurable as either Vertically & Horizontally mounted doors within a Single Cut-Out.

BUILT-IN WATER-SHED CHANNELS

Integrated rain gutters on drawers and doors divert up to 90% of water away, preventing buildup, rust, and staining for long-term protection.

ADJUSTABLE SELF-LEVELING PEG-LEGS

Two easy-adjust peg-legs with thumb-screws simplify installation, leveling, and stacking for ground-level or multi-unit configurations.

MULTI-ORIENTATION CONFIGURABILITY

1/16" bevel frame allows vertical or horizontal mounting and side-by-side stacking—turns multiple components into one seamless unit.

DESIGNER SERIES: RAISED STYLE

SIGNATURE SERIES: BEVELED STYLE

CONTEMPORARY BEVELS – BUILT FOR MASONRY & ALL-WEATHER DURABILITY

The Sunstone Signature Series, Beveled Style creates a unique class of its own specially made with deeper 2-1/2″ mounting flange great for Veneer & Masonry Stone Islands with angular edges and contemporary squared handles. All doors are offered with Heavy-Duty 304 Stainless Steel suitable for all weather conditions with a Beveled Raised Frame and Interior Framed-In Doors for added stability and long-lasting strength. All doors have built-in hinges allowing the doors to open 120 degrees and will not bang on island stone, while all drawers are offered with Soft-Closing drawer tracks and Reinforced Frames.

HEAVY-DUTY 304 SS CONSTRUCTION

All-304 stainless with #4 horizontal brushed finish and polished edges—interior framed doors and reinforced structure for superior strength and longevity.

120-DEGREE DOOR OPENING

Built-in hinges allow full 120° swing without hitting island edges—smooth, damage-free operation in stone or masonry setups.

OPTIONAL PANTRY FEATURES

Double-panel doors with adjustable shelves and paper towel holder options—perfect for organized storage in premium outdoor kitchens.

SIGNATURE SERIES: BEVELED STYLE

CLASSIC SERIES: FLUSH STYLE

SLEEK FLUSH DESIGN – HIGH-QUALITY, COST-EFFECTIVE DURABILITY

The Sunstone Classic Series, Flush Style creates a High Quality yet Cost-Effective alternative to complete your outdoor kitchen. Great for Stone Veneer, Brick, Stucco or Concrete Finishes with its Heavy-Duty 304 Stainless Steel and 16 Gauge door frame and 18 Gauge panels it will hold stronger against the weather and usage over time. Find everything you need with the largest variety of all our component lines.

HEAVY-DUTY 304 SS BUILD

16-gauge door frame and 18-gauge panels with #4 light brushed finish and polished edges—rugged strength that shines and withstands years of outdoor use.

VERSATILE & MATCHING OPTIONS

Largest selection of doors, drawers, and accessories—blends seamlessly with other Sunstone series for a cohesive, stylish outdoor kitchen.

PROPANE TANK COMPATIBILITY

Easy bottom access for portable LP tanks—simple, safe gas setup for any grill or burner without complicated plumbing.

CLASSIC SERIES: FLUSH STYLE

ARUBA SERIES: MODERN STYLE

BUILT-IN GRIP HANDLES – SLEEK, LOW-MAINTENANCE ELEGANCE

The Sunstone Aruba Series, Modern Style creates Stylish High Quality and the most Affordable of all Component Series to complete your outdoor kitchen. Great for Stone Veneer, Brick, Stucco or Concrete Finishes with its all 304 Stainless Steel Construction. With the built-in horizontal grip handles your ease of access to any of the components is a breeze and you will have much less upkeep without the need of replacing handles. If you desire a True-Designer friendly components look no further than our Aruba Series, with all matching Height and similar widths create a more attractive finished look to your outdoor kitchen.

INTEGRATED HORIZONTAL GRIP HANDLES

Seamless built-in grips eliminate separate handles for easier cleaning, reduced upkeep, and a clean, contemporary look that complements any outdoor kitchen.

SIMPLE INSTALL & VERSATILE FEATURES

Removable framing for easy setup, included ABA trash bins, paper towel holder option, and consistent heights/widths for a polished, designer finish on stone, brick, stucco, or concrete.

SOFT-CLOSE DRAWER TRACKS

Self-closing mechanism seals drawers tight against rain and wind, keeping contents protected and providing quiet, smooth daily use.

ARUBA SERIES: MODERN STYLE

MARKET EXCLUSIVE

NEXT-GEN VENT HOODS & BACKSPLASHES

THE ONLY HOODS SPECIFICALLY ENGINEERED FOR OUTDOOR GRILLS

POWERFUL FEATURES

Three sizes of Vent-Hoods with new Unique Design, 2500 CFM Motors all 304 Stainless Steel, Halogen Lighting and New LED Lighting

MOOD LIGHTING

Blue back-wash lighting creates a stunning entertainment ambiance when not grilling.

PURPOSE-BUILT PERFORMANCE

Unlike indoor hoods, these are designed with deeper capture areas and higher CFM to handle intense outdoor grill smoke.

VERSATILE LIGHTING

The only hood offering multiple lighting options: Functional bright white for cooking and atmospheric blue for hosting.

STAINLESS STEEL BACKSPLASH

Complete the look with matching SS backsplashes that protect the wall and reflect the lighting effects.

GRILL JACKETS: SAFETY & VERSATILE

INSULATED HEAT BARRIER – PERFECT AIRFLOW FOR ANY OUTDOOR SETUP

The Sunstone Universal Grill Jackets provide essential safety and performance for any outdoor kitchen or BBQ island installation, featuring fully insulated double-wall construction in premium 304 stainless steel to create an effective heat barrier and protect surrounding structures from high temperatures. Each jacket includes a sturdy self-supporting raised ledge around the sides and back for added durability and stability, while strategically placed pass-through vents at the lower front and upper back edges ensure proper airflow, safely expelling excess heat and gases without compromising the enclosure.

FULLY INSULATED DOUBLE-WALL CONSTRUCTION

All 304 stainless steel double walls provide superior heat shielding and protection—sturdy raised ledge adds structural strength for safe, long-lasting island integration.

OPTIMIZED PASS-THRU VENTING

Strategic lower front and upper back vents ensure proper airflow, expelling excess heat and gases—keeps your grill cool and safe in enclosed spaces.

MODULAR EXTENSION & POST-MOUNT OPTIONS

Use dividers to link multiple jackets into one continuous unit—add post-mounts for freestanding setups, enabling custom grill + side burner combos with seamless connections.

GRILL JACKETS: MULTI-MODULAR DESIGN

MULTI-CONFIGURABLE | UNIVERSALLY COMPATIBLE | UNLIMITED VERSATILITY

INDIVIDUAL JACKET INSTALL

One jacket per appliance—simple, dedicated heat barrier and venting for single grills or side burners, ensuring safe, isolated performance.

MULTI-APPLIANCE PACKAGE

Link multiple jackets for continuous and seamless grill + burner combos, eliminating gaps and creating unified workspace.

POST-MOUNT CONFIGURATIONS

Mount jackets on posts with wings for elevated, freestanding stations—perfect for standalone grills, full island grill-stations.

WE ARE HERE TO HELP YOU SELL

FREE 3D DESIGN SERVICES

Send us a napkin sketch, and we'll return a professional 3D rendering and component list to help you close the deal.

DIGITAL ASSET LIBRARY

Access high-resolution product images, lifestyle shots, and detailed spec sheets instantly for your customer presentations.

PRODUCT SPECIALIST TEAM

Have a tough technical question? Our dedicated support team is just a phone call away to assist with installation queries.

TRAINING & VIDEO PORTAL

Library of installation guides, product demos, and sales training videos to keep your knowledge sharp.

Access all these tools and more at: **www.sunstonemp.com**

KEY TAKEAWAYS

REMEMBER THESE 3 POINTS

UNMATCHED QUALITY

304 Stainless Steel construction backed by a Lifetime Warranty ensures customer satisfaction and reduces returns.

UNIVERSAL SOLUTIONS

Our Trim Kits and 5 distinct component series allow you to say "Yes" to any grill brand and any budget.

MANUFACTURER DIRECT VALUE

Leverage our Direct Manufacturing capabilities to offer competitive prices, protecting your margins.
